

Stephen N. Lyle

Born: Durham, England, 13 February 1960

Nationality: British and French

Address: 9 rue Charles Péguy, 09000 Foix, France

Telephone: 00 33 (0)6 43 66 39 84

Website: www.stephenlyle.org

Freelance Science Editor: No. SIRET 415 141 415 00026

Education: Trinity College, Cambridge 1978–1982 pure mathematics and Part III theoretical physics (general relativity, particle physics, quantum field theory)

University of Paris VI (1994–1995) MSc Non-commutative integration and non-commutative geometry

L^AT_EX on Mac and PC

Authored publications:

- S.N. Lyle: *Uniformly Accelerating Charged Particles. A Threat to the Equivalence Principle*, Springer, Berlin, Heidelberg (2008)
- S.N. Lyle: *Self-Force and Inertia. Old Light on New Ideas*, Springer, Berlin, Heidelberg (2010)
- S.N. Lyle: Rigidity and the ruler hypothesis. In: V. Petkov (ed.), *Space, Time, and Spacetime. Physical and Philosophical Implications of Minkowski's Unification of Space and Time*, Springer, Berlin, Heidelberg, New York (2010)
- S.N. Lyle: Rigid motion and adapted frames. In: Ashtekar, A., Petkov, V. (eds.), *Springer Handbook of Spacetime*, Springer, Berlin, Heidelberg, New York (2014)

Conference talks:

- *Rigidity in Relativity*, given on 14 June 2008 at the Third International Conference on the Nature and Ontology of Spacetime. The website is www.spacetimesociety.org/conferences/2008/index.html
- *Self-Force and Inertia. Old Light on New Ideas*, given as a Philosophy of Physics Research Seminar at the University of Oxford on 26 November 2009. The website is users.ox.ac.uk/~ppox/general/seminar.html

- *Electromagnetic Radiation and the Coming of Age of the Equivalence Principle*, given on 24 March 2011 at Bad Honnef in Germany as the WE Heraeus Seminar 475 entitled *Problems and Developments of Classical Electrodynamics*. The website is

www.itp.uni-hannover.de/~giulini/Heraeus/Seminar475/

- *Self-Force and Inertia. Old Light on New Ideas*, given at the University of Munich on 30 June 2011 at a conference in honour of Detlef Dürr on the occasion of his sixtieth birthday. The website is

www.mathematik.uni-muenchen.de/~bohmmech/detleffest/index.html

Public lectures in France:

- *Le monde quantique*, talk given at the *Université populaire du pays de Foix* en Ariège, France, in February 2019
- *Alchimie et la vie d'une étoile*, talk about nucleosynthesis in stars given at the *Université populaire du pays de Foix* en Ariège, France, in February 2020
- *Une science de l'humain?*, talk about cognitive science given at *Réflexions et Echanges à Verniolle* en Ariège, France, in October 2021

The aim of these talks is the popularisation of science.

Translated publications:
